## EXPERIENCE

---

### SDE Intern, Littlebox

Jun 2024 - July 2024

- Developed and secured APIs using Node.js, Express, bcryptjs, and JWT, improving user authentication and data security by 30%.
- Implemented efficient file handling processes, streamlining media management and improving system performance by 25%.

### Summer Intern, Indian Institute of Technology Guwahati

July 2023 - August 2023

- Achieved high accuracy and coherence in Bengali news article summarization by utilizing NLP techniques and fine-tuning models for optimal performance.

## EDUCATION

---

### B.Tech in Computer Science and Engineering, Assam Engineering College

2021 - 2025

Current CGPA: 7.4/10

## SKILLS

---

Programming Languages	C/C++, JavaScript, HTML/CSS, Java, Python
Frameworks	Node.js, Express, React, Tailwind CSS
Database and Cloud	PostgreSQL, MongoDB, Google Cloud Platform (GCP), Firebase

## PROJECTS

---

### Kanha GPT — Tech Stack: React, Node.js, Express, HTML, CSS, GCP

[Github](#) 

- Developed Kanha GPT, a web app enabling conversations with Lord Krishna via the Gemini API, offering real-time personalized responses.

### JUSTIFIED — Tech Stack: React, Node.js, Express, LangChain.js, Firebase, TailwindCSS, GCP

[Github](#) 

- Developed JUSTIFIED, a web application offering legal advice based on Indian laws and the Indian Penal Code (IPC) through a user-friendly interface.
- Implemented LangChain.js with FAISS for real-time, accurate legal guidance and deployed the app to ensure robust performance and scalability.

## ACHIEVEMENTS

---

- **Ideavision 2024**  Secured 2nd position as part of a team for presenting an innovative solution at Assam Engineering College's Ideavision competition under the Institution Innovation Council.
- **HackVita 2.0 2024**  Secured the 2nd Position in HackVita 2.0, Developed an application to educate and empower individuals to make environmentally conscious choices in their daily lives.
- **DSA Code War 2023**  Secured the 1st position in the 'DSA Code War' event as part of a skilled team.

## LEADERSHIP
